## COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award far 1992 Miscellaneous Concrete Work

MEETING DATE: March 18, 1992

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to Case Construction Co., Inc., in the amount of \$5,107.00 and waive the informality in the submittal of the bid.

BACKGROUND INFORMATION: This project will be used to replace bad sections of curb, gutter and sidewalk throughout the City and to repair those curb, gutter and sidewalk areas not covered in the sidewalk repair program. Two typical uses would be the installation of sidewalk around new utility poles and repairing curbs and gutters that don't drain properly. Purchase orders will be issued to the contractor during the year as repair work is needed.

Case Construction Company, in their bid package, submitted a company check as a bid guarantee instead of the cash, certified check, cashier's check or bidder's bond mentioned in the bid proposal. The company check from Case Construction Company was for \$535.75 which is equal to 10% of their total bid.

We consider the submittal of a company check a minor informality and are recommending that the City Council award the 1992 Miscellaneous Concrete Work contract to Case Construction Company and waive the informality in the bid submittal.

Plans and specifications for this project were approved on February 5, 1992. The City received the following seven bids for this project:

<u>Bidder</u>	<u>Location</u>	<u>Bid</u>
Engineer's Estimate		\$ 5,357.50
